A Cast Iron Skillet is perfect for preparing a satisfying appetizer, meal, dessert or snack. A delicious Baked Brie with our toppings or one of our delicious Homemade Baked Dips. Serve hot from the oven, barbecue or even the campfire, the cast iron makes a perfect serving dish and keeps the recipe hot much longer.

Cast iron cookware is so versatile, a breeze to clean up, is naturally non-stick and incredibly solid. See bottom of the opposite page for care instructions.

CHEESY NACHO BAKED DIP SKILLET

SKILLET BRIE OR CAMEMBERT

Our complete kit contains a 6.3" (16 cm) diameter cast iron skillet filled with a pouch of our tastiest Baked Brie toppings. Take a small 8oz (225 g) round Brie or Camembert Cheese, score the top with a knife, place it in the skillet, top off the cheese with the easy to prepare toppings, bake 15-20 minutes, serve hot from the skillet. Easy as 1, 2, 3...

An Eco-friendly gift
These cast iron skillets are the opposite of disposable and will be cherished and last for years and years.

SKILLET DIPS

These kits include an 8" (20cm) skillet and a pouch of one of our best selling dips. Serve a piping hot baked dip prepared with our tasty blends of Herbs & Spices (included) and topped with a crusty layer of cheese in our 8"(20cm) cast iron skillet. Served straight from the oven to table. The cast iron will keep the dip hot while being shared and enjoyed.

CARE INSTRUCTIONS: Hand wash with mild soap to preserve the natural non-stick properties in order to enjoy the skillet for years to come. Our skillets are pre-seasoned, but as with all cast iron, they should be washed, dried and then re-oiled ready for the next use. This will reduce the chances of rusting as well. Very important also to never use a metal knife or utensil in the cast iron skillet, to avoid damaging the natural non-stick finish of the seasoned skillet.

SKILLET DESSERTS FROM OVEN TO TABLE

Cast Iron Skillets are ideal for making desserts, such as our latest Skillet Cobbler or Skillet Scone. Cast Iron desserts offer a baked exterior with a warm center.
