SESAME SOY GINGER

This intensely flavorful Asian-inspired marinade is a delicious match for anything from chicken to salmon to beef. Simply marinate in this sticky sauce for a few hours or overnight, then toss on the grill for a sweet & sour delight! Try it as a stir-fry sauce, a marinade for green vegetables – like broccolini or baby bok choy, add it to a rice bowl, or dilute it with a little oil to make a salad dressing.

GARLIC HONEY MUSTARD

The robust taste of garlic harmonizes with the sweetness of honey, while the tang from the mustard adds a zesty kick, creating a perfect balance of sweet, tangy, and savory notes. Marinate chicken or a pork tenderloin, use it as a condiment or dipping sauce for barbecued fingers of flank steak, or try it as a dipping sauce with pretzel sticks.

JAMAICAN JERK

A taste of the Caribbean. A spicy, savory, salty and sweet flavor explosion. A bold blend of Scotch bonnet peppers, allspice, nutmeg, ginger, lime, brown sugar, thyme and a touch of soy sauce. Use as a marinade, basting sauce, or as a tasty dipping sauce.

For perfect Jerk chicken, marinate overnight before grilling, and serve extra on the side. Smother fish fillets with our sauce, and then pan fry for a quick and delicious main dish.

NO SUGAR ADDED HOT CHOCOLATE

Our No Sugar Added Hot Chocolate Collection is sweetened with Sucralose and crafted for those embracing a lower-sugar lifestyle. Growing in popularity and becoming one of our absolute bestsellers, these hot chocolates deliver all the flavor you'd expect from Gourmet du Village with no sugar added. Simply add to hot milk and indulge.

While not completely sugar-free, due to naturally occurring sugars from ingredients like dehydrated milk, our No Sugar Added Hot Chocolates offer full flavor with significantly less sugar and calories than our regular hot chocolates, with the added benefit of being a good source of fiber. Each single serve pouch contains only 18 mg of Sucralose.
